DISH Food Pantry | January–May 2022 Report

Bunker Hill Community College

DISH Milestones/Exciting Moments

JANUARY & FEBRUARY

- Donation of \$20,000 from BHCC COVID Vaccine Incentive Fund allowed purchases of a new freezer, two new carts, and household supplies for distribution.
- Launched Small Business Partnership with purchase of frozen pasta packages from Dave’s Fresh Pasta.

MARCH

- DISH Food Pantry opened for walk-in office hours for the first time

since March 2020. Our partnership with Food for Free and the Heat N’ Eat program was revived and we received our first delivery of frozen meals for distribution to students.

APRIL

- Launched DISH & Dash Lockers, the first initiative of its kind at a college/university. Those in attendance included representatives from Quadiant/Parcel Pending and Food for Free as well as several BHCC offices and departments.

- DISH Coordinator Molly Hansen featured on College Food Insecurity Panel, hosted by Lasell University.

MAY

- Celebrated two years of pantry deliveries with Snapchef! Starting in May 2020, the delivery system has completed thousands of deliveries to our pantry users’ homes, free of charge. Our Snapchef driver, James Dickhaut, has become an indispensable member of the DISH Food Pantry team.

DISH & Dash Lockers

In April 2022, the DISH Food Pantry became the first food pantry in the country to implement refrigerated smart lockers for client pick-up. The impetus for these lockers came from conversations with our students and how to best support them and their busy schedules. Many of our students work full or part-time jobs, have small children at home, and/or have limited transportation. Since introducing the lockers, on-campus pick-ups have become incredibly flexible, efficient, and dignified.

The funding for the locker project was procured through the Higher Education Emergency Relief Fund (HEERF). Our vendor, Quadiant/Parcel Pending, provided the background, training, and support for implementation. As of May 2022, there have been 177 pick-ups from the DISH & Dash lockers. Our pantry is looking forward to utilizing the lockers to expand access to our frozen meal program (currently only available during office hours) for students who are enrolled in evening courses.

Small Business Partnerships

Thanks to the generous funding from the BHCC COVID Vaccine Incentive Fund and Halting Oppressive Pathways through Education (HOPE) Initiative*, the DISH Food Pantry was able to purchase products from several small, Boston-local businesses. By shopping small with an emphasis on supporting Black-owned businesses, we are supporting our community while allowing our pantry users to try out a new and exciting product!

- **Dave’s Fresh Pasta, Somerville, MA:** packages of linguine, spaghetti, pappardelle
- **Hab House, Boston, MA:** locally made, Caribbean-inspired hot sauce
- **Lyndigo Spices, Boston, MA:** seasonal jams, chutneys, spices, and sauces
- **Remix Waffles, Boston, MA:** waffle mix made with natural ingredients

*The HOPE initiative is designed to examine and eliminate the social, institutional, and academic barriers that often prevent males of color from achieving their full potential at BHCC and beyond. This asset-based, student-centered initiative is run by a group of faculty, staff, and students focused on three main areas: qualitative and quantitative data collection, analysis and dissemination; assessing and addressing gaps in College programs and services; and affinity-based mentoring. You can learn more about the HOPE initiative by visiting bhcc.edu/hope.

DISH Food Pantry | January–May 2022 Report

Bunker Hill Community College

"I love it so much! It has helped me and my daughter tremendously! Thank you."

"The DISH has allowed me to focus more of my time studying and doing classwork instead of working to get extra money to pay for groceries."

"I really like how they used the locker for pick-ups. It makes it quick and easy to get my food after I receive an email notifying me when it is ready for pick-up."

DISH Spring 2021 Survey Results

Information about survey

- Distributed to Spring 2022 Users (299 users)
- Response rate: 30% (92 responses)

Demographic of Student Response

- Full-time students: 59
- Part-time students: 25
- Other (workforce development, certificate program, etc.): 2
- Staff/Faculty: 6

100% of DISH Food Pantry users found the sign-up process easy:

- "The process is very simple and convenient."
- "Super easy, efficient, and flexible!"
- "It is such an easy process—everyone should sign up!"

100% of DISH Food Pantry users are extremely likely or very likely to recommend the DISH to another student or faculty/staff member.

Based upon experiences with the DISH Food Pantry Staff and Delivery Driver, DISH Food Pantry users rated the following:

- 100% rated communication of DISH Food Pantry Sign-Up Process and Delivery "Excellent" or "Good."

- 100% rated courtesy and friendliness of the DISH Food Pantry Staff and Delivery Driver as "Excellent" or "Good."
- 100% rated the helpfulness of the DISH Food Pantry Staff and Delivery Driver as "Excellent" or "Good."
- "Everyone is so nice and respectful!"
- "The customer service that I have received at the DISH has been exceptional. I am so thankful for their support and kindness."
