

Community Education Course Delivery Options

Community Education, non-credit, classes are taught through a few different course types as described below.

Course Mode	Description	In-Person	Scheduled Meeting
In-Person	Requires physical attendance on campus at set days/times.	Yes	Yes
Remote and Synchronous	Requires real-time virtual attendance such as Webex or Zoom at set days/times. Course materials will be online.	No	Yes
Remote and Asynchronous (Web)	Requires regular online participation but does not require attendance on set days/times. Web courses allow you to learn on your own schedule within a certain timeframe. Course materials will be online.	No	No
Hybrid (In-Person and Asynchronous, Web)	Requires physical attendance at set days/times and online participation outside of scheduled class time. Students will be completing course work online on their own time.	Yes	Yes
Hybrid (In-Person and Synchronous)	Requires physical attendance at set days/times and requires real time virtual attendance such as Webex or Zoom at set days/times.	Yes	Yes

How to Access Your Community Education Course

Your non-credit course is listed in one of these instructional modalities. Find your course and see how you will be accessing the course. If you do not find the course you have registered for on this list, please reach out to the contact person who is listed on the website to inquire.
