

# About Bunker Hill Community College

Boston, Massachusetts, U.S.A. | bhcc.mass.edu

Bunker Hill Community College is the largest community college in Massachusetts. The college enrolls more than 14,000 students on two campuses and at three satellite locations. BHCC is one of the most diverse institutions of higher education in Massachusetts. Sixty-seven percent of the students are people of color and more than half of BHCC's students are women. The college also enrolls more than 800 international students who come from approximately 100 countries and speak more than 75 languages.

Founded in 1973, BHCC is fully accredited by the New England Association of Schools and Colleges. This public higher education institution offers more than 100 programs leading to Associate in Arts and Associate in Science degrees and Certificate programs.
