News and Views: So You Want to Be a Millionaire While You Go to College?

"Good morning class. Welcome to the great institution of liberal learning. My name is Professor Adam Smith. I am happy that you all have brought your notebooks because what I have to say this morning is very important.

"It used to be that your suffering parents used to have to pay money to keep you in this college. But from now on you can go to college and at the same time make more money than you ever dreamed of before.

"New please open your books to the page headed "American capitalism."
