## HEALTH AND MEDICAL RELATED PROGRAMS

### Basic Life Support (BLS) for Healthcare Providers

**FSR-108**

**\$67**

This one-day course presents the American Heart Association BLS for Healthcare Providers CPR and AED program. It teaches the skills needed to help adults, children and infants who are choking or experiencing a cardiac emergency. Students will learn to perform one- and two-person CPR, use a mask for ventilation and use the Automated External Defibrillator. The program includes both skill tests and a written test; the written test requires students to read English at approximately a tenth grade level. Students who need extra time to complete the tests may need to stay beyond the end of the scheduled class time. The text is *BLS for Healthcare Providers* (Student Manual) 2011 edition; earlier editions are not acceptable. The book may be purchased in advance; the instructor will also have books for sale during class. Those who successfully complete the program will receive a two-year certification card approximately one week after the class.

### Medical Interpreting Certificate Program

**WCE-375**

**\$999**

The need for medical and community interpreters is rapidly increasing. This 54-hour course, offered in collaboration with TransFluenci, will help prepare new and experienced interpreters to work in hospitals, health clinics, governmental agencies and more. The program includes an overview of the profession and professional settings, sight translation, consecutive and simultaneous interpreting practice, role-playing, note-taking techniques, readings in the field, exercises for building memory and concentration, discussion of practices, standards and ethics, vocabulary in the medical and legal fields and employment advice. This course is open to all languages, but students must be able to comprehend and communicate fully in both English and at least one other language. Because a selective interview is required before acceptance, students must register at least two (2) weeks in advance. The College will issue a certificate upon satisfactory completion of this course. Participants who receive a certificate can choose to interview for a job with TransFluenci. This program meets the requirements of the International Medical Interpreters Association (IMIA) for national certification. Prior to enrolling in the course, students must take a brief language proficiency test.
