### The Mission of the Division of Workforce and Economic Development

**Mission:** The Mission of the Division of Workforce and Economic Development is to provide opportunities for education and training leading to professional advancement and life-long learning while meeting the workforce needs of the communities we serve.

**Vision:** The WFED Division seeks to empower diverse learners with quality education that will advance career achievement and personal goals.

### Instruction Modality: (How will my classes be taught?)

How courses are taught and coded is outlined on the next page. Here are two definitions to assist you in interpreting the chart you find under these terms:

- **Synchronous:** You will learn online with your instructor and classmates on a specific date and time each week at the same virtual location such as on WebEx, Zoom or other video platforms. You can ask questions in real time and meet virtually face-to-face.

- **Asynchronous:** You will not meet with your instructor and classmates at a specific date and time each week. You will develop your own schedule and follow the course syllabus that outlines all assignment due dates.

If you have any questions, please email commed@bhcc.edu.

ADULT EDUCATION

Bunker Hill Community College offers two Massachusetts Department of Elementary and Secondary Education (DESE) grant funded programs to assist adults in developing the necessary skills in English language proficiency, acquire a High School Credential (HiSET), and the skills to successfully complete college courses and receive six college program credits.

The Adult Education Program

The Adult Education program at the Chelsea Campus and the BHCC Boston Adult Education Consortium provide educational and support services for adults who lack English language and literacy skills and/or do not have a high school diploma. This comprehensive program provides free educational services that include courses in Basic English for Speakers of Other Languages (ESOL), AE literacy and High School Equivalency Assessment (HiSET) preparation in Spanish and in English.

Classes are held in Chelsea and Boston. The ESOL and Spanish HiSET Adult Education courses are offered during the day, evening and Saturdays at the Chelsea Campus. The AE literacy, Pre-HiSET and HiSET Adult Education courses are held at LARE Institute, the College’s program partner in Chelsea, the Boston Chinatown Neighborhood Center (BCNC), and Educational Development Group satellite locations around Boston.

**PROJECT MANAGEMENT**

Learn How to Better Manage Virtually Any Project Scenario with a Proven Methodology

**Project Success Method – Methodology**

For over 38 years, techniques learned from the proprietary Project Success Method have helped teams dramatically improve their project performance through:

Formal detailing of project requirements, Collaborative development of project plans, and Successful project execution through an accountable control process.

The Project Success Method offers the best of both worlds. It is a blend of traditional waterfall project management and the Agile approach, enabling teams to move quickly while ensuring their customers have a delivery date they can trust.

The powerful and practical hands-on methodology can be learned in our 18 ½ hour class and applied immediately upon completion.

The Project Success Method requires no project management or Agile experience, no software tools, and no templates. The Project Success...

WORKFORCE HIGHLIGHT

BE MASS COMPETITIVE PARTNERSHIP – COMING IN JUNE 2022

The Massachusetts Association of Community Colleges (MACC) in partnership with the Massachusetts Competitive Partnership (MACP) is pleased to announce the “Be Mass Competitive” Program. The goal of this workforce development initiative is to create employment opportunities at some of the Commonwealth’s largest businesses aiming to meet labor needs in Massachusetts while increasing access to upwardly mobile employment opportunities.

Through this program, candidates will receive specialized training and career-placement services leading to upwardly mobile employment opportunities at some of the Commonwealth’s largest employers. This program seeks to support and advance the successes of persons of color by providing pathways at MACP companies committed to building a diversified workforce. This opportunity is available at no cost to participants and stipends will be provided. Individuals with a high school diploma/equivalency or higher are eligible and encouraged to apply.

This joint initiative by MACC and MACP employers will include:

• Up to twelve weeks of Customer Service or General Professional Administrative training by the Massachusetts Association of Community Colleges at either Bunker Hill Community College or Roxbury Community College at no cost to the student
• Up to twelve weeks of Customer Service or General Professional Administrative training by the Massachusetts Association of Community Colleges at either Bunker Hill Community College or Roxbury Community College at no cost to the student
• Paid on-the-job training opportunities at employers such as Bank of America, Wayfair, Suffolk, Mass General Brigham, and more
• Full-time job offers contingent on successful completion of learning modules and performance in on-the-job training
• Professional job coaching throughout training and into employment

To learn more, visit masscc.org/be-mass-competitive

Method can be used in any business application and any project scenario. The Project Success Methodology is neither simply “academic” nor “theory”; it provides the most effective and efficient real-world process for developing, ensuring, and maintaining a consistency in approach within project teams.

Use Microsoft Project in Ways You Never Thought Possible to Manage Your Projects

The Project Success Method Toolkit for Microsoft Project Class

The Project Success Toolkit is a proprietary add-on for Microsoft Project 2013/2016/2019 that augments the core functionality of Microsoft Project. Over 6200 users around the world including many in the world’s best-known companies are using the Toolkit to more efficiently...
and effectively manage their projects. The Toolkit enhances the scheduling functionality of Microsoft Project and allows the user to follow the Project Success Method by enabling critical path and duration-based scheduling. Additional functionality unavailable in standard copies of Microsoft Project is listed below. This program is designed for prospective users of Microsoft Project.

Prerequisites: Project Success Method Class strongly recommended.

Note: An understanding of the Project Success Method is essential for using The Project Success Toolkit. The Toolkit was developed from the perspective of “adapting the tool to meet the needs of the methodology”, as opposed to “adapting the methodology to fit the tool”. No prior Microsoft Project experience is needed. Some proficiency with using Microsoft Windows is needed. Students must provide their own licensed copy of Microsoft Project 2013, 2016 or 2019.

Software: Currently the class supports Microsoft Project 2013, 2016 and 2019 versions

TECHNOLOGY AND CAREERS
Healthcare Careers

Hybrid Phlebotomy Technician Certification with Clinical Externship
NON-855E $1,919
(e-book and NWCA Test Voucher included)
90 online self-study hours plus 40 clinical externship hours

Phlebotomists are employed throughout the healthcare system— and the demand for phlebotomy technicians is higher than ever! This program prepares you to collect blood and other specimens from clients for laboratory analysis. The course covers process and procedures; safety protocols, quality assurance and precautions; venipuncture skills; terminology; and related anatomy and physiology. The program also includes a clinical externship opportunity to learn the profession in the field. After completing the program, you’ll be able to sit for the NWCA exam, which is included in your tuition. Although listed as Asynchronous (self-study), an instructor will be assigned to teach the class once enrollment reaches six or more students. Should this happen, classes will meet over Zoom Tuesdays and Thursdays for an hour to an hour and a half between 6-9:30 p.m. These Zoom sessions are not mandatory, but it will be beneficial to your studies if you want to participate. You will still maintain your self-study schedule. With six or more students, in-person labs will take place on campus near the end of the program. There are a total of four lab sessions with each session being 3.5 hours in duration. You will be notified the lab meeting dates.

NOTE: In-person labs may be canceled if COVID-19 regulations restrict in-person learning.
Hybrid EKG Technician Program
Non-856E $1,419
(e-book and NWCA Test Voucher included)
50 hours online self-study

Electrocardiograph (EKG) certification program course covers anatomy and physiology of the heart, medical disease processes, medical terminology, medical ethics, legal aspects of patient contact, electrocardiography and stress testing. You’ll also gain practice with EKG equipment through hands-on labs. After the successful completion of this program, students will be prepared to sit for the NWCA exam, which is included in the tuition. Although listed as Asynchronous (self-study), an instructor will be assigned to teach the class once enrollment reaches six or more students. Should this happen, classes will meet over Zoom Mondays and Wednesdays from 6–7 p.m. or 7:30 p.m. and in-person labs will take place on-campus. Live Zoom sessions are elective and not mandatory. You will still maintain your self-study schedule.

NOTE: In-person labs may be canceled if COVID-19 regulations restrict in-person learning.

Hybrid Veterinary Assistant Certification Program with Clinical Externship
NON-901E $2,219
(e-book and NWCA Test Voucher included)
100 hours online self-study plus 40 hours clinical externship

This 100-hour Veterinary Assistant program introduces students to the exciting and growing field of veterinary medicine. Students will learn about the care of animals as well as how to recognize signs of illness and disease. This program also covers interpersonal communication, interaction with clients and their animals, as well as how to assist the veterinarian during examinations. Administrative duties, such as fee collection, banking, and accounts payable are also emphasized to provide the student with the skills necessary to maintain an efficient front office. Students who complete this comprehensive course would be prepared to sit for the National Workforce Career Association (NWCA) Veterinary Technician (VET) Exam. The national exam is included in the tuition. Although listed as Asynchronous (self-study), an instructor will be assigned to teach the class once enrollment reaches six or more students. Should this happen, classes will meet over Zoom Mondays and Wednesdays from 6 –7 p.m. or 7:30 p.m. and in-person labs will take place on-campus.
Do you want the dream job of working to keep our nation’s technical infrastructure safe?

**THE CYBERSECURITY TRAINING CERTIFICATE IS THE TRAINING FOR YOU!**

If you have strong, basic computer skills, you may want to consider an exciting career as a cybersecurity professional. Although you need not be an IT professional or programmer, you should have the right personality; specifically, you should be intensely curious about how things work; unwilling to give up on a problem no matter how difficult it is; highly attentive to detail; predisposed to independent learning. You should be able to devote an honest 25 hours/week to the program. The program includes three courses, each lasting six weeks. The first course is Cyber Attack and Defense: Immediate Immersion. If you do well in the first course, you will proceed to take the two other courses: Cyber Defender 1 and Cyber Defender 2.

Meetings with the instructor over Zoom will be conducted on a mutually-determined weeknight and will be 1-2 hours/week. Tuition does not include the book, which must be purchased separately from nostarch.com/packetanalysis3. Book Title: Practical Packet Analysis Using Wireshark to Solve Real-World Network Problems, 3rd Edition by Chris Sanders.

The three courses listed below must be taken in their order with Cyber Attack and Defense being the first course in the certificate program.

To determine if you qualify for the Cybersecurity Training Certificate Program, you must meet one of the four prerequisites found here: bhcc.edu/corporatetraining/cybersecuritytrainingcertificate/

**THE LANGUAGE INSTITUTE**

**INTENSIVE ENGLISH CLASSES**

**TERM 1 (SU11):**

MAY 17–JULY 1, 2022

**TERM 2 (SU21):**

JULY 5–AUGUST 19, 2022

Quickly improve your English skills with Intensive English classes to support your career or to enter college. In these classes, you will practice your reading, writing, speaking, and listening skills. There will also be instruction on grammar, pronunciation, and American culture.

**Schedule for Summer 2022**

Intensive English courses are offered in Terms 1 and 2. Each term is seven weeks in duration. The course runs 20 hours per week for seven weeks. Weekday classes are held Tuesday – Friday, 9 a.m.–2 p.m. There are four levels offered every seven-week term, from Beginner (001) to High Intermediate (004). Before registering, you must take a placement test to determine which level is best for you. If you are interested in Intensive English classes and can dedicate 20 hours per week studying, please email IntensiveEnglish@bhcc.edu to schedule your placement test.

Total hours: 140 hours for 7 weeks of program.

The cost of a seven-week class is $1,115, which must be paid in whole at the start of classes. There is no payment plan for these classes.

French

French

Proper pronunciation is important for good communication. Beginning Conversational French will help you master the best pronunciations. Simply click on each word to hear it spoken. Every word and sentence is also written out phonetically. This course has been carefully crafted to ensure you will have no trouble pronouncing French words correctly. The first three lessons introduce the basics needed for most conversations in French, such as “please” and “thank you.” You will also learn numbers, days of the week, months of the year, and telling time.

Parking Permits
Student parking is available in lots 1 and 2 on the Charlestown Campus, seven (7) days per week, from 6 a.m.–11 p.m. These lots are owned by the City of Boston and managed by ABM Parking Services. You may buy either a daily pass, at $10 per day or a semester parking pass at $60.

To purchase the daily permit at $10 per day, you have to download the ParkMobile mobile app on your phone. Go to the App store – either Android or Apple – and download the ParkMobile app. With the app downloaded, you will drive to the campus.

Once you arrive at parking lots 1 or 2 at BHCC, launch the app and purchase your permit. The Zone # is 5850. Once you buy it you are good to park. There is a parking lot attendance there so the person will be able to assist you as well. The parking is good for the whole day until 10:30 pm. So park first, launch the ParkMobile app and then purchase the permit.

To purchase a semester parking pass at $60, please visit bhcc.edu/parking. Rates are subject to change.

There is no student parking at the H-Building. Students must park at the Charlestown Campus. From there they can walk (10 minutes) or find another mode of transportation to H-Building. Bunker Hill Community College is not responsible for any damages and/or theft of any vehicle.

For any questions or concerns, call ABM at 617-482-2487 or see the parking lot attendant.

Cancellation and Refund Policy:
Students may cancel enrollment in a Community Education course within two (2) working days prior to the first class meeting and receive a refund, minus a 3% service fee. No refunds are given after that time. The college may cancel a class due to low or no enrollment. Students will be notified of the cancellation within 24–48 hours prior to the start of the class. Students receive a full refund if the college cancels a class. If a student has paid by credit card, refunds are automatically credited to the same credit card. Due to COVID-19, adjustments to the refund policy may be made on a case-by-case basis. Please contact the division at Commed@bhcc.edu for more information.

Students who register for non-credit courses through our Elevate registration platform are considered Bunker Hill Community College students. As such, you have access to all services available to you at the college. These include, but not limited to:
- Wi-Fi Access
- Library
- Academic Computer Lab*
- Fitness Center
- Student Clubs
- Language Lab

*To access these services you must set a Bunker Hill email and self service account. For instruction consult the page bhcc.edu/workforce/bhccstudentemailandaccountsetup/

Get Your BHCC Student ID Card
