## Commonwealth Commitment Participation Form Bunker Hill Community College

### Dear Future College Graduate,

We are thrilled that you want to participate in Massachusetts' new *MassTransfer* Pathway Commonwealth Commitment! The Commonwealth Commitment seeks to help you achieve college savings while you earn your degree.

By participating in a *MassTransfer* Pathway, you may be eligible<sup>1</sup> to receive Commonwealth Commitment benefits:

- A freeze on tuition and mandatory fee rates from the moment you enter the Commonwealth Commitment until you graduate from a community college and a freeze on mandatory fee rates from the state university or University of Massachusetts (UMass) campus to which you transfer<sup>2</sup>.
- A ten percent (10%) rebate off frozen community college tuition and mandatory fees at the end of every successfully completed semester.
- Upon transfer to a baccalaureate institution, a *MassTransfer* Pathway 100% tuition waiver (or "credit" at UMass campuses), and a 10% rebate off frozen mandatory fees at the end of every successfully completed semester.

Carefully review the program details listed **on the back of this page**. Your academic advisor will help you determine if the Commonwealth Commitment is a good fit for you. More information, including a *Fact Sheet* and *Frequently Asked Questions*, is available at [www.mass.edu/macomcom](http://www.mass.edu/macomcom).

<sup>2</sup> Freeze reflects the tuition and mandatory fees rates in effect the year the student enters the program. For example: If a student enters the Commonwealth Commitment at Bunker Hill Community College in Fall 2016, that student will be charged the same rates while at BHCC. If the student transfers to UMass Boston in Fall 2018, the student will pay the mandatory fees rates at UMass Boston at their Fall 2016 rates for the next two years and get the *MassTransfer* 100% tuition waiver (or "credit" at UMass campuses). This freeze does not include discretionary fees and non-mandatory fees.
