

# A Message from the President

Thank you for your interest in Bunker Hill Community College (BHCC). International students and international education have been very important to BHCC since its founding in 1973. Our institution has a national reputation for serving students from around the world. We view our international students as a great resource because they help us to learn more about the world and the cultures around us.

Every year, hundreds of international students just like you come to BHCC. And every year, many of these students graduate and move on to excellent four-year colleges and universities, while others complete their education with a specialized certificate. These students tell us that at our College they received the support they needed to be successful.

If you choose to attend Bunker Hill Community College, you will join more than 800 international students from more than 100 countries speaking 75 languages. You will find caring faculty members with excellent academic credentials who enjoy teaching at BHCC. You will find dedicated staff members who will help you adjust to American culture and the U.S. education system. You will find students just like you and very different from you, and you will find a campus environment that values your culture and your native language.

At Bunker Hill Community College, we are committed to helping you make your entire college experience a success. We look forward to receiving your application and to welcoming you to our community.

A handwritten signature in black ink that reads "Pam Eddinger". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Pam Y. Eddinger, Ph.D.  
President
