Smart Choice Picture Guides located on pages 2-6

- If you are a student, fill out the DISH Intake Form. For faculty/staff, please click here. Once we verify your Bunker Hill student/faculty/staff status, you will receive an email within 1-2 business days with your Shopper ID and PIN.

- Log into Smart Choice and enter your assigned Shopper ID and PIN. On the home page, you will see several categories: fruits, vegetables, dairy, proteins, grains, and hygiene. By clicking on each category, you will be able to see what items are available.

- On the home page, you will see your points balance on the top right-hand corner. Students have 35 points per month, and faculty/staff have 30. Points are refreshed on the first of every month and do not rollover. You may make 2-3 orders per month, but please try to make each order at least 5-6 items.

- When you are ready to add an item to your cart, click on the item and select the quantity you would like and select “add to cart.” Each item has a short description, a point assignment, and a limit per month. This is to ensure that our inventory stays consistent and so that we have enough for everyone. For example, you are only able to select one of each hygiene product per month.

- When the item is added to your cart, you will see it on the right-hand side of your home screen. Once you have finished selecting the items for your cart, click on the “checkout” button on the bottom right-hand side of the screen.

- Once you click the green “checkout” button, you will be able to select your preference pick-up on the Chelsea or Charlestown campus. Use the gray arrows to navigate between the two locations. The lockers are available all day, afternoon, and evening during the week. The lockers are also open on Saturdays until 3pm (both locations). Please note that our delivery system has been discontinued as of September 2022.

- Once you make your selection and select a time, you will receive a confirmation email. The food pantry coordinator will text you to confirm your pick-up and send along additional instructions on how to use the lockers.

- Does the DISH Food Pantry deliver?
  - Unfortunately, due to a staffing shortage with our delivery partner, we have discontinued our home delivery program effective September 2022.   - If you are unable to pick-up an order, please email dish@bhcc.edu for additional information.

- How many points do I have per month?
  - Current BHCC students receive 35 points per month, and faculty/staff receive 30. These points will be automatically loaded onto your Smart Choice account on the first day of every month.
  - Please note that the points do not rollover. For example, if you do not use all your points for one month, they will not be available the following month.

- I have a large family at home. Am I able to get more points per month?
  - We understand that the pandemic and subsequent inflation has caused increased hardships on our students and their families. If you and your family need additional points, please contact the DISH Coordinator at dish@bhcc.edu for assistance. Each request will be evaluated on a case-by-case basis.
