Violence Against Women Reauthorization Act & Campus SaVE Act

On March 7, 2013, President Obama signed into law the Violence Against Women Reauthorization Act (VAWA) which imposed new requirements on colleges and universities under its Campus Sexual Violence Elimination Act (SaVE). The requirements act to add to, refine, clarify and amend the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and act to reinforce Title IX. The Campus SaVE Act adds offenses involving domestic violence, dating violence and stalking to the crimes that institutions must report in the Annual Safety & Security Report. The Campus SaVE Act also expands the categories of reportable “hate crimes” to include those based on bias against gender identity or national origin consistent with Federal statutes.

The Campus SaVE Act amended the definition of sexual offenses and the category of reportable “sex offenses” to include: rape, sodomy, sexual assault with an object, fondling, incest and statutory rape consistent with the uniform crime reporting system of the Federal Bureau of Investigations. The Annual Safety & Security Report must also include detailed descriptions of the institution’s internal procedures to resolve issues of domestic violence, dating violence, or stalking, resources on-and-off-campus, as well as descriptions of its educational and preventative programs.

The Office of Public Safety and Campus Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act using information maintained by the Bunker Hill Community College Office of Public Safety and Campus Police, information provided by other College departments, Campus Security Authorities, and information provided by state and local law enforcement agencies. This report provides statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned, leased or controlled by Bunker Hill Community College. This report also includes institutional policies concerning campus security, such as policies regarding sexual assault, alcohol and other drugs.

Department Overview

Introduction
The goal of the Office of Public Safety and Campus Police is to provide a high level of safety, security and service to all members of the College community, visitors and guests. The Office of Public Safety and Campus Police has the direct responsibility for law enforcement, preservation of public peace, reduction in the opportunity to commit crimes, and the effective delivery of a wide variety of police and security services within the boundaries of Bunker Hill Community College’s two campuses.

Developing and maintaining a safe and secure environment is the responsibility of the entire College community. As part of this community our department strives to gain and maintain the trust of the community by holding itself to the highest standards of professionalism, ethics and integrity when performing its duties.

Department Personnel
The Office of Public Safety and Campus Police consists of 18 members, including the Director of Public Safety/Chief of Police, Assistant Director of Public Safety/Deputy Chief of Police, one Detective Lieutenant, three Sergeants, nine Police Officers (two who work primarily on the Chelsea campus), one Administrative Assistant and one Communications Dispatcher.

Contract Security Vehicle
The contract Security Company along with the Office of Campus Police provides vehicle patrols of the college campuses. The contract Security vehicle is intended to provide additional coverage of College grounds and report any and all incidents.

The Campus Police vehicles may also be used to transport persons or data to and from local area agencies based on a determination of need. For such use prior approval is needed from the College President.

Department Mission Statement

The Bunker Hill Community College Office of Public Safety and Campus Police seeks to improve the quality of life for all people on the College campus through the delivery of total quality police service. Through extensive, in-depth training, adherence to all policies and procedures, and utilization of College and community partnerships, we strive to prevent crime, solve problems and enforce the law. We guarantee respect and dignity for each individual in accordance with our duty to maintain peace and order within a safe and secure College environment.

Office of Public Safety and Campus Police Officers will do all they can, within their jurisdiction and authority, to assist any College member or visitor with any problem that impacts safety and/or security of life or property. In regard to any other problem, every employee will respond with courtesy and professionalism and will seek to direct the individual to the appropriate services. The priorities of the police department are to prevent crime, solve problems and enforce the law. Modern-day policing recognizes that many crimes can be prevented and problems solved if the police department works in partnership with everyone.

It is of utmost importance that all police officers have a clear understanding of their roles and responsibilities, and that expectations for performance are clearly articulated. The following
policies and procedures seek to outline the standards for behavior and the conduct expected of Office of Public Safety and Campus Police Officers. It also seeks to define the basic purpose of the department as a contributing entity within Bunker Hill Community College.

**Law Enforcement Authority**

The Office of Public Safety and Campus Police is dedicated to protecting the students, faculty, staff, visitors and property of Bunker Hill Community College. All Officers are sworn-in, Special State Police of the Commonwealth of Massachusetts. As such, the department conducts itself as any other Municipal Police Department and has full arresting powers on College grounds (M.G.L. Chapter 22C, section 63). An additional contracted security staff at the Charlestown campus ensures the security of the buildings 24 hours a day.

It is the duty and responsibility of each officer to fulfill to the greatest extent possible the functions of the police department. All officers, at all times, shall respond to the lawful orders of superior officers and other authorities, as well as calls for police assistance from any individual on the College property.

The Office of Public Safety and Campus Police does not infringe upon the primary responsibility of other agencies including the Boston Police Department, Chelsea Police Department, Malden Police Department, Everett Police Department, Transit Police Department and the Massachusetts State Police in areas not owned, used or occupied by the College.

**Security Contractor Authority**

The Security Contractor provides staffing and equipment necessary to perform the services required to meet the security needs of the College. The Security Contractor assists the Office of Public Safety and Campus Police with access to the College; patrols in and around college buildings and grounds using detect watch-clock equipment as necessary; enforces traffic and parking regulations as directed; monitors and operates fire and intrusion alarm systems; helps to establish and maintain a safe environment and prevent theft of College or personal property; and performs other related duties as may be required by authorized College personnel in accordance with established BHCC policy and contractual agreement with the college. Contracted Security Officers do not have powers of arrest and act only in accordance with requests from the college, their contract and to assist Campus Police when requested.

**Working Relationship with Law Enforcement**

The Office of Public Safety and Campus Police enjoys a close working relationship with the Boston Police Department, Chelsea Police, Massachusetts State Police, Transit Police Department, the Suffolk County District Attorney’s Office and several other city and town agencies on court proceedings, investigations and matters pertaining to more than one agency of the Commonwealth or a surrounding municipal authority.

By mutual agreement with state and federal agencies, the Office of Public Safety and Campus Police maintains a Criminal Justice Information Services terminal which provides department personnel with access to the National Crime Information Computer System as well as the Criminal History Systems Board for the Commonwealth of Massachusetts. These computer databases are used to strengthen public safety by providing access to criminal history data, nationwide police records and driver/vehicle identification information as well as other local,
state and federal law enforcement information. There is no written MOU between Office of Public Safety and Campus Police and local Police or Massachusetts State Police, however; jurisdiction is shared with local law enforcement. Local Police and the Massachusetts State police have concurrent jurisdiction on all campuses and upon all properties owned or controlled by the College. Part I Crimes, such as rape, murder, aggravated assault, robbery and arson are reported to the jurisdictional law enforcement authority for that area, and a joint investigative effort between Office of Public Safety and Campus Police and the Jurisdictional Department and/or Massachusetts State Police is conducted to solve these serious felony crimes. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted through the Suffolk County District Attorney’s Office.

All felonies occurring on campus and any Search Warrants issued or requested are reported to the Massachusetts State Police on a monthly basis.
Policy Addressing Timely Warnings

The Office of Public Safety and Campus Police is responsible for issuing Timely Warnings in compliance with the Clery Act. In the event a situation arises, either on or near the campus, these alerts are issued to keep the campus community informed about safety and security matters. The decision to issue a Timely Warning is decided on a case-by-case basis in light of all the facts surrounding an incident, including factors such as the nature of the crime, the continuing threat to the campus community, and the possible risk of compromising law enforcement efforts. Timely Warnings are issued for specific crime classifications: arson, aggravated assault, criminal homicide, robbery and sex offenses. Timely Warnings may also be posted for other crime classifications as deemed necessary. To issue a Timely Warning, the Office of Public Safety and Campus Police informs the campus community via a campus-wide e-mail, voicemail and/or text message which is addressed to students, faculty and staff.

In addition, the Office of Public Safety and Campus Police has an “opt in” system (BHCC-Alert Emergency Notification System) to communicate rapidly with students, faculty and staff by sending a voice message and/or instant text message to home and cell telephones. In the event a situation arises, either on or off campus, these alerts are issued to keep the campus community informed about safety and security matters. The decision to issue a timely warning is decided on a case-by-case basis in light of all facts surrounding an incident, including factors such as the nature of the crime, the continuing threat to the campus community, and the possible risk of compromising law enforcement efforts.

While the system is active and ready for use, it is only as good as the contact information it contains. In order to receive emergency text messages and voice mail alerts, faculty, staff and students must provide cell phone information. Users must log in to the BHCC Intranet at:

https://www.bhcc.edu/alertsignup/

and update their contact information. The information supplied is confidential and will not be shared.

BHCC will contact users through the system in the event of an emergency. Users will be notified of delays and/or non-emergencies only if they elect to be notified. The College conducts tests of the Alert Emergency Notification System on a semester basis, or twice annually.

Also used to communicate in emergencies are other appropriate method(s) which can include any of the following: posting on the campus website at bhcc.edu and/or flyers placed in student and employee mailboxes. Notices may also be posted in visible locations in academic buildings, Student Central and key classroom locations. In some situations, door-to-door notification may be conducted.

The office of Public Safety and Campus Police also maintains contact with local law enforcement agencies during times where Timely Warnings are sent out or investigations may spill into their communities. An open line of communication with outside agencies allows for effective and efficient solving of most incidents.

All BHCC community members and guests are expected to read all emergency warnings and to
follow the instructions of Campus Police Officers and responding emergency personnel. Emergency response and evacuation procedures are available on the Office of Public Safety and Campus Police website at: https://www.bhcc.edu/publicsafety/
The assessment and evaluation of the current emergency plan and capability are conducted through regularly scheduled drills, exercises and appropriate follow-through activities.

**Daily Crime Log**

The Office of Public Safety and Campus Police maintains a Daily Crime Log that records, by the date the incident was reported, all crimes and other serious incidents that occur on campus and or within the department’s patrol jurisdiction.

The Daily Crime Log is available for public inspection at the department’s headquarters or at: [Daily Crime Log](https://www.bhcc.edu/publicsafety/). Crime Log includes the nature, date, time, and general location of each crime reported to the department, as well as the disposition of the complaint, if this information is known at the time the log is created.

The department posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.

Anyone requesting statistics from the Daily Crime Log that are older than 60-days may make the request in writing to the Office of Public Safety and Campus Police. The Office of Public Safety and Campus Police will provide requested information within two business days.

**Security Awareness Practices**

Each community member plays an important role in adopting a preventive and pro-active approach to their own safety. Each individual must assume responsibility for their personal belongings as well as for their personal safety. They can do this by using common sense practices and precautions.

All vehicles should be locked while on campus and unoccupied. Bicycles should be locked using a sturdy lock.

Students, faculty, staff, and administrators should always immediately report any suspicious activity or individual to the Office of Public Safety and Campus Police. To enhance personal safety, and especially after an evening class, walk with friends or someone from class that you know well, or call the Office of Public Safety and Campus Police to make use of the Safety Escort Service. All community members should ascribe to the “See something, Say something” ideal in order to help keep the college community safe.
Crime Prevention Education and Awareness

Ask-A-Cop Program
The Office of Public Safety and Campus Police has developed the Ask A Cop Program that operates for the first week of the Fall and Spring semesters, which has helped promote Community Policing within the communities around the campuses. The program’s main purpose is to educate students, faculty and staff members on a variety of topics including: crime prevention, parking policies, campus maps and general questions.

Rape Aggression Defense (RAD)
The Office of Public Safety and Campus Police offer the Rape Aggression Defense (RAD) Systems program, which is offered each semester. The class is a program of realistic self-defense tactics and techniques. This system is a comprehensive, women-only course that begins with awareness, prevention, risk reduction and risk avoidance while progressing on the basics of hands-on defense training. It is not a martial arts program but does offer women instruction on physical self-defense. The course is offered once per semester.

Run-Hide-Fight Awareness (Active Shooter)
The Office of Public Safety and Campus Police offers ALERRT training that focuses on the elements of civilian reaction to an active shooter situation. This class works to explain the physiological response during a high-stress situation and looks to counter those effects while also describing the best methods of staying safe in the event of an active shooter. The class has been offered to faculty and staff, and is offered to students multiple times each semester.

Campus Escort Program
The Bunker Hill Community College Escort Program provides walking escorts for students, faculty and staff during the calendar year. A Campus Police Officer or a member of the Contract Security will escort you to your motor vehicle or the train station.

Escorts respond to both calls for service through the Office of Public Safety and Campus Police at 617-228-2053 or Security at 617-228-2250 and by being asked in person by students, faculty and staff in need of an escort.

    Monday – Friday, 6:00 a.m. – 11:00 p.m.
    Saturday and Sunday 8:00 a.m. – 4:00 p.m.

Contract Security Officers are available 24/7

Employee Assistance Program
The College has contracted with Ceridian LifeWorks as its Employee Assistance Program. Lifework provides one-on-one counseling on issues of addiction and recovery. They also provide group training sessions and assistance for supervisors dealing with an employee’s drug and/or alcohol issues in the workplace. The College has also partnered with Mass4You through GIC Insurance as a second option for Employee Assistance.

The college has contracted with Everfi, Inc., a national on-line training company, to provide the College with an on-line training program concerning sexual violence for the College community.
Emergencies
The Campus Police Officers, certified in First Aid Response and C.P.R., respond to all emergencies reported on the College campuses. Call ext. 2222 from any campus phone during an emergency and Campus Police, the College’s Nurse and other assisting staff will respond.

This is a new partnership as of November, 2017—even those who had previously signed up for emergency alerts should re-register to ensure you receive alerts.

If you do not sign-up, you will not receive this notification. The information you supply is confidential and will not be shared off campus.

Policy Addressing Security and Access

During business hours, Bunker Hill Community College will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours, access to all College facilities will be available to employees of the College and authorized contractors. Employees will need to enter through the B-Building Lower Lobby and sign in at the Security Desk. All employees will need to have proper college identification and/or clearance.

Emergencies may necessitate changes or alterations to any posted schedules. Areas of the College may be off limits due to any number of reasons including, but not limited to, hazardous conditions, threatening situations or security concerns. This may require the Office of Public Safety and Campus Police to shut down access to an area for a period of time. Areas that are revealed as problematic by members of the community will be surveyed and assessed by public safety staff. These surveys examine security issues such as landscaping, locks, alarms, lighting and communications. Corrective strategies and initiatives will be implemented consistent with the findings of the surveys.

The College utilizes CCTV cameras and card access control systems to secure the campus and monitor activities 24 hours a day.

Most campus buildings are open Monday thru Friday from 6:00 a.m. to 10:00 p.m. and Saturday and Sunday 8:00 a.m. to 4:00 p.m.

BHCC identification/library card:
The Bunker Hill Community College ID Station polices are consistent with other BHCC Information Handling Policies. All students, faculty, and staff must obtain a BHCC identification/library card and keep it current with the college. A valid government issued photo ID as well as verification of proof of affiliation to the college must be presented before card is issued. The identification card remains the property of the college and must be presented to any college official upon request. In some instances, fees may be assessed to replace lost or stolen cards. The identification card data of BHCC students, faculty, and staff may be made available to law enforcement and other college departments as needed. Only trained BHCC Student Central staff and members of the Office of Public Safety and Campus Police are allowed to issue ID cards. Request for information about students, including but not limited to name, photograph, or ID number are to be referred to the Student Central Director. Issuing stations for the BHCC identification/library card are located at Student Central in the Main Lobby on the Charlestown Campus.
Maintenance and Security of Campus Facilities

The Office of Public Safety and Campus Police, with the Director of Facilities, reviews the campus regularly to identify and correct safety and security hazards. The Director of Public Safety/Chief of Police along with the Director of Facilities are involved with a College-wide safety committee that meets monthly to discuss any issues or concerns. The Office of Public Safety and Campus Police Officers maintain vigilance while on patrol to ensure hazards are reported and, if necessary, contained until corrected. Community members are encouraged to report any hazards or on-the-job injuries immediately to Office of Public Safety and Campus Police, the Director of Facilities and the Director of Human Resources.

Smoking Policy
Recent national studies overwhelmingly conclude that not only is smoking injurious to health of the smoker, but that secondary smoke is harmful to all those in the environment. Therefore, in consideration of the health of students, employees and the public, the following policy is in effect at both the Charlestown and Chelsea campuses:

“BHCC is a smoke free environment. Smoking is not allowed in any campus building or within 100 feet of all doorways and athletic fields.”

College Jurisdiction
The jurisdiction and discipline of Bunker Hill Community College shall apply to conduct which occurs:
   a) On property owned, occupied or used by Bunker Hill Community College,
   b) While a student is attending or participating in any Bunker Hill Community College related activity or,
   c) In any location if the conduct adversely affects the student’s suitability as a member of the Bunker Hill Community College community or is detrimental to the interests of the institution.

Disciplinary action will be taken by the College against a student for any conduct that is in violation of federal, state or local law or is a violation of the student code of conduct (a list of disciplinary student offenses can be found in the Student Handbook). The matter may also be referred to local or state authorities.
Policies Addressing Substance Abuse

In compliance with the final regulations of the Department of Education, 34 CFR, Part 86, regarding drug-free schools and campuses, the following information is presented:

A. Purpose
The use of illicit drugs and alcohol at the College workplace, on College property or at College activities impairs the safety and health of students, inhibits the personal and academic growth of students and undermines the public’s confidence in the College. Only in an environment free of substance abuse can the College fulfill its mission.

For these reasons, it shall be the policy of Bunker Hill Community College that all shall be free of drugs and alcohol. This substance-abuse policy shall be provided annually to every student of the College. Every two years, the College shall evaluate the effectiveness of this policy and shall make any necessary amendments to enhance and to improve the environment of the College.

B. Prohibited Conduct
The students of Bunker Hill Community College shall not unlawfully manufacture, distribute, dispense, possess or use controlled substances or alcohol on College property, in conjunction with any College activity or in the College workplace. Any individual who violates this prohibition is subject to disciplinary action in accordance with the College’s Behavior Policies. Disciplinary action may include expulsion from the College, mandatory participation in an alcohol/drug abuse assistance program or referral to an external rehabilitation program as well as referral of the matter for prosecution to an appropriate law enforcement agency.

Any student who is employed in any capacity by the College, as a condition of such employment, will abide by this policy. Student employees will notify the College’s Director of Human Resources within five (5) days of being convicted of violating a criminal drug statute in the workplace. The College will notify a grantor agency within 10 days that a student employee has been convicted of a drug-related offense.

C. Substance Abuse Prevention and Awareness Program
Professional College staff members are available to assist students with substance abuse issues by making referrals to appropriate related external resources.

Health Risks Associated with Drug and Alcohol Use
The use of drugs and alcohol, even infrequently, may damage one’s health. The College’s Coordinator of Health Services can inform students of the effects specific substances have upon their health. Excessive use of alcohol is associated with liver damage, hypertension, brain damage and a weakened immune system. Cocaine or crack use may be fatal, depending upon the cardiovascular response of the user. This drug is highly addictive and withdrawal results in severe depression. Tranquilizers and sedatives are also highly addictive, even at low dosages.

Use of these drugs in conjunction with alcohol is extremely dangerous and may result in the user becoming comatose. The intravenous use of drugs carries the additional risk of infection due to shared needles. AIDS and hepatitis are transmitted this way.
**Criminal and Legal Sanctions Associated with Drug and Alcohol Abuse**

The Office of the Dean of Students maintains a complete list of the legal sanctions associated with alcohol and drug abuse. In general, severe sanctions may be imposed upon an individual who manufactures, distributes or possesses controlled substances such as marijuana, cocaine, crack or prescription drugs. The penalties may be doubled for offenses occurring on or near the College. These penalties include fines and imprisonment. The illegal purchasing of alcohol, the illegal possession of alcohol or the providing of alcohol to minors carries penalties including fines and imprisonment.

Policy against Sexual Violence

The College maintains a Policy Against Sexual Violence as part of its Policy on Affirmative Action. The College’s Policy on Affirmative Action is available to all students, employees and members of the general public at the College’s website https://www.bhcc.edu/eeo/ or by hard copy through the Human Resources and the Executive Director of Diversity and Inclusion Offices. The College’s Policy Against Sexual Violence is enforced by the College’s Title IX Coordinator and states as follows:

Consent: An agreement reached by both partners to engage in a specific activity. Engaging in sexual activity with a person who has not given or cannot give her/his consent is an act of sexual violence. In Massachusetts it is illegal to have sex with someone who is incapable of giving consent because they are: (a) intoxicated; (b) unconscious; (c) mentally incompetent; or (d) are under 16 years of age.

a. Introduction
Sexual violence is prohibited under state law and the College’s Policy on Affirmative Action. Sexual violence is prohibited pursuant to Title IX of the Educational Amendment Act of 1972, which states: No person in the United States, shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal assistance.

All reported or suspected cases of sexual violence shall be reported to the College’s Affirmative Action and/or Title IX Coordinator. Please refer to the Complaint Procedures for specific complaint procedures and guidelines.

The College prohibits retaliation against any person who presents a formal or informal complaint of sexual violence or who testifies or offers evidence connected with a complaint. Retaliation is a violation of this policy whether or not the underlying claim of sexual violence is confirmed.

b. Sexual Violence Defined
Sexual violence is defined under the “Definitions” section of this Policy and includes rape, acquaintance rape, sexual assault, stalking, domestic and dating violence.

c. Reporting Complaints of Sexual Violence
A victim of sexual violence has the right to file (or not file) an Affirmative Action Discrimination Complaint Form with the College. The process for filing a complaint is outlined under the Policy on Affirmative Action’s Complaint Procedure. For more information or assistance with filing a complaint, please contact the College’s Title IX Coordinator.
The College’s Affirmative Action Officer and Interim Title IX Coordinator is Cheryl Cephas, Director of Diversity and Inclusion. She may be contacted at 250 New Rutherford Avenue, Room A307, or Room H193 Boston, MA 02129, by emailing ccephas@bhcc.mass.edu or calling 617-228-3331.

If the Title IX Coordinator is the subject of a complaint, the President shall designate another College official to administer the Complaint Procedures. A victim may also choose to file a criminal complaint, in which case the Title IX Coordinator and/or Campus Police can assist the victim with that process. Reporting the incident to the Title IX Coordinator or Campus Police does not obligate the victim to file criminal charges.

d. College’s Investigation
The College is obligated to investigate allegations of sexual violence, even if the alleged victim chooses not to file a formal complaint and/or participate in the investigation. Additionally, a complaint filed in another forum, including a criminal or civil complaint, shall not delay the College’s investigation of a complaint of sexual violence. The College shall promptly and thoroughly investigate all such allegations in accordance with the Policy on Affirmative Action. The College may also institute protective measures, such as a no-trespass order, restricted access to campus, adjusted class or work schedule, or a leave of absence, during the investigative process and/or upon completion of the disciplinary process. A person found to have committed an act of sexual violence shall be subject to disciplinary action. Disciplinary actions and sanctions will vary, depending upon the facts, and may include (but are not limited to) reprimand, change in work assignment, loss of privileges, mandatory training, removal from classes, programs, activities and/or campus, suspension, expulsion, termination of employment, criminal prosecution, and/or termination of the contractual or other relationships with the College.

e. Victim Identification
Personal identifiable information about a victim will be treated as confidential and only shared with persons with a specific need to know and/or who are investigating and/or adjudicating the complaint, delivering resources or support services to the victim or as public safety requires. The College does not publish the names or other identifiable information of victims in the campus police department’s Daily Crime Log, in any Timely Warnings issued or online. In accordance with the Family Educational Rights and Privacy Act, a victim may request that no directory information maintained by the College be released absent his/her prior, written consent.

f. Protections for Victims of Sexual Violence
A person who is subjected to sexual violence shall:

• Be provided with a copy of the College’s Sexual Violence – Victim’s Rights and Information form;

• Have the right to, or not to, seek assistance from campus administration or campus law enforcement;

• Not be discouraged by College officials from reporting an incident to both on-campus and off-campus authorities;
- Be provided assistance in contacting local law enforcement if requested and have the full and prompt assistance and cooperation of campus personnel should a civil and/or criminal complaint be pursued;

- Be free from any suggestion that they somehow contributed to or had a shared responsibility in the violent act;

- Receive the same level of support at any proceeding before College officials as is permitted to the accused party, including the presence of a representative during any disciplinary proceeding and the right to be notified in a timely manner of the outcome of such proceedings and any appeal right available;

- Receive full and prompt cooperation from College personnel in obtaining and securing evidence (including medical evidence) necessary for any potential criminal proceedings;

- Have access to existing College counseling and medical professionals, victim support services, and to obtain referrals to off-campus counseling and support services if desired;

- Be permitted to attend classes, work and participate in College activities free from unwanted contact or proximity with the accused individual(s) insofar as the College is permitted and able;

- Be permitted to request changes to an academic schedule if such changes are requested by the alleged victim and are reasonably available; and

- Be informed of any no-contact or no-trespass orders issued to the accused by the College and the College’s commitment to honor any court-issued restraining or protective orders, to the extent permitted by law.

According to Massachusetts General Laws, Ch. 209-A, the survivor of abuse has the right to appear at the Superior, Probate and Family or District court of your appropriate jurisdiction where s/he resides. A survivor can file a complaint requesting any of the following applicable orders:

- An order restraining an attacker from abusing you;

- An order directing an attacker to leave the household, building or workplace of the survivor;

- An order directing an attacker to pay support for the survivor or any minor child in the survivor’s custody if the attacker has a legal obligation to support these parties;

- An order directing the attackers to pay the survivor for losses suffered as a result of abuse, including medical and moving expenses, loss of earnings or support, costs for restoring utilities and replacing locks, reasonable attorney’s fees and other out-of-pocket losses for injuries and property damages sustained.

For an emergency on weekends, holidays or weeknights, campus or local police will refer you to a justice of the superior, probate and family, or district court departments.
The police department where you reside will file the order and contact the judge on call regardless of where the incident took place. You can contact SafeLink (Statewide 24-hour domestic violence hotline) anytime at 877-785-2020.

g. Recommended Procedures for a Victim of Sexual Violence
For a person subjected to an act of sexual violence, there can be time-sensitive decisions to make about sexually transmitted infections, pregnancy, and collecting physical evidence in the event of prosecution. Individuals who have been victims of sexual violence are advised as follows:

• **Protect Yourself and Get Medical Attention** – A victim should be advised to go to a safe place as soon as possible and seek medical attention immediately. Injuries and exposure to disease may not be immediately apparent. A medical examination can provide necessary treatment and collect important evidence. It is recommended that a physical exam be conducted within 72 hours of the violence. Submitting to a physical exam does not mean that a victim is required to press charges. This action merely preserves the option to do so. Designated College personnel can assist in providing transportation to the hospital.

• **Preserve Evidence** - It is important to preserve all physical evidence following an act of sexual violence. Physical evidence may be necessary in the event criminal prosecution is pursued. If possible, a victim should be advised not to wash, eat, drink, douche, clean, use the bathroom, or change clothes. If clothes are changed, all clothes that were worn at the time of the incident should not be cleaned and should be placed into an unused or a clean paper bag.

• **Health and Support Services** - Various health and support services are available on and off campus for students and employees who have experienced sexual violence. For information about such services, including counseling, please contact the Affirmative Action and/or Title IX Coordinator.

i. Mandatory Reporting Under State Law
Children (a person under the age of 18) may be students at the College, or may be engaged in activities sponsored by the College or by third-parties utilizing College facilities. In such instances, where an employee has reasonable cause to believe that a child is suffering physical or emotional injury, resulting from among other causes, sexual abuse, the employee and the College may be obligated to comply with the mandatory reporting requirements established at M.G.L. Chapter 119, Section 51A-E. In such cases, the employee is directed to immediately report the matter to the College’s Affirmative Action and/or Title IX Coordinator, who, in consultation with other officials, shall contact the Commonwealth’s Department of Children and Families and/or law enforcement. An employee may also contact local law enforcement authorities or the Department of Children and Families directly in cases of suspected abuse or neglect.

State law also maintains mandatory reporting requirements for certain occupations where elderly and disabled abuse or neglect is suspected. For more information on these reporting requirements please contact the College’s Affirmative Action Officer.

The college has contracted with Everfi, Inc., a national on-line training company, to provide the College with an on-line training program concerning sexual violence for the College community.
Policy Against Sexual Harassment

• Introduction
It is the goal of the Community Colleges to promote an educational environment and workplace that is free of sexual harassment. Sexual harassment of students or employees occurring in the classroom or the workplace is unlawful and will not be tolerated by the Community College. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is similarly unlawful and will not be tolerated. To achieve our goal of providing a workplace free from sexual harassment, the conduct that is described in this policy will not be tolerated and we have provided a procedure by which inappropriate conduct will be dealt with, if encountered by students or employees.

Because the Community Colleges take allegations of sexual harassment seriously, we will respond promptly to complaints of sexual harassment and where it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective measures, including disciplinary action where appropriate and consistent with applicable collective bargaining agreements.

• Definition of Sexual Harassment
Sexual Harassment is defined under the “Definitions” section of this Policy.

The legal definition of sexual harassment is broad and applies to any individual of either gender who participates in the college community, including a student, faculty member, administrator or any other person having dealings with the college. In addition, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating a hostile, offensive, intimidating, or humiliating workplace or academic environment to male or female workers or students may also constitute sexual harassment.

It is important to note that when assessing whether conduct constitutes sexual harassment, a “reasonable person standard” shall be applied. The term “reasonable person” is used to describe an objective standard to determine if harassment has occurred. Under the standard, in order for conduct and behavior to be considered sexual harassment, a reasonable person under similar circumstance would have to conclude that the behavior was harassing or discriminatory.

All employees and students should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment, or retaliation against individuals who have cooperated with an investigation of sexual harassment is unlawful and will not be tolerated by the Community Colleges.

• Consensual Relationships

(1) Faculty/Administrator/Staff Member Relationships with Students
A romantic and/or sexual relationship, consensual or otherwise, between a faculty member, administrator or staff member and a student is looked upon with disfavor and is strongly discouraged. No faculty member shall have a romantic and/or sexual relationship, consensual or otherwise, with a student who is being taught or advised by the faculty member or whose academic work is being supervised or evaluated, directly or indirectly, by the faculty member.
No administrator or staff member shall have a romantic and/or sexual relationship, consensual or otherwise, with a student who the administrator or staff member supervises, evaluates, advises, or provides other professional advice or services as part of a College program or activity.

**2) Relationships Between Supervisors, Subordinates or Co-Workers**
A consenting romantic and/or sexual relationship between a supervisor and subordinate or co-workers may interfere with or impair the performance of professional duties and responsibilities and/or create an appearance of bias or favoritism. Further, such relationships could implicate state ethics laws and/or result in claims of sexual harassment, discrimination or retaliation. Therefore, such workplace relationships are strongly discouraged.

- **Complaints of Sexual Harassment**

If any student or employee believes that he or she has been subjected to sexual harassment, the student or employee has the right to file an Affirmative Action Discrimination Complaint Form (by clicking the highlighted text) with the College. For more information or assistance with filing a complaint, please contact the College’s Affirmative Action Officer or Title IX Coordinator. If the Affirmative Action Officer or the Title IX Coordinator is the subject of a complaint, the President shall designate another College official to administer the Complaint Procedures.

All complaints will be investigated in such a way as to maintain confidentiality to the extent practicable under the circumstances. If it is determined that a violation of this Policy has occurred, the College will act promptly to eliminate the harassing conduct, and take disciplinary action where warranted. All disciplinary action taken shall be consistent with any applicable collective bargaining agreement. The Duty to Cooperate, Duty to Report, and the obligation to avoid making False Charges, as discussed previously in this Policy, shall be fully applicable under this section.

- **Institutional Measures to Confront Sexual Harassment**

The Community Colleges are committed to promoting, to the greatest degree possible, an environment free from sexual harassment. To this end, the Colleges will take the following steps:

1. Distribute this Policy against sexual harassment to all segments of the College community on an annual basis;

2. Post this Policy against sexual harassment; and

3. Conduct educational programs for the College community regarding the causes, character and consequences of sexual harassment as well as the steps available to stop such practices on the campus.

- **State and Federal Remedies**

In addition to the above, if you believe you have been subjected to sexual harassment, you may file a formal complaint with the governmental agencies set forth below. Filing a complaint under this Policy does not prohibit you from filing a complaint with these agencies.

a. submission to or rejection of such advances, requests or conduct is made a term or

humiliating or sexually offensive learning or working environment.

Under these definitions, direct or implied requests by a supervisor or instructor for sexual favors

severity of the conduct and its pervasiveness:

a. Unwelcome sexual advances - whether they involve physical touching or not.
b. Repeated, unsolicited propositions for dates and/or sexual intercourse.
c. Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's

f. Verbal harassment or abuse on the basis of sex.

g. Inquiries into another person’s sexual activities, practices or experiences.

h. Discussion of one's own sexual activities, practices or experience.

Victims of sexual harassment may experience physical and emotional reactions to the behavior. Anger, depression, self-blame, denial and decreased self-esteem are common reactions to sexual harassment. Headaches, stomach disorders, inability to concentrate, insomnia and backaches are sometimes experienced as symptoms of the stress that a victim feels. Students who have concerns about sexual harassment should contact Cheryl Cephas, the College’s Affirmative Action Officer at 250 New Rutherford Ave., Room A307 or H139, Boston, MA 02129 or by calling 617-228-3331.

a. Application of Policy
The complaint procedure is intended to provide a mechanism to investigate and where possible resolve complaints of alleged violations of this Policy against employees and students. The procedures outlined below are intended to ensure that the College will conduct an impartial, fair, effective and efficient investigation of all allegations of discrimination without fear of retaliation. The complaint procedure is available to any employee or student who believes he/she has been discriminated against on the basis of a protected classification or retaliation. A complaint filed in another forum does not preclude a student or employee from filing a complaint under this Policy. Further, a complaint filed in another forum, including a criminal or civil complaint, shall not delay an investigation of a complaint filed under this Policy.

b. Confidentiality of Process
The complaint procedure will be conducted as confidentially as reasonably possible to protect the privacy rights of all individuals involved. The College may share information concerning the complaint with parties, witnesses and/or others during any phase of the procedure on a need-to-know basis and shall share information with union representatives as provided for in G.L.c.150E. All individuals with whom information is shared shall be advised of the confidential nature of the information and directed not to discuss the matter with anyone other than a personal advisor, if applicable.

c. Complainant Requests Confidentiality
Where a Complainant requests that no action be taken by the College or requests that her/his identity not be revealed, the College shall take reasonable steps to investigate and respond to the complaint, but shall inform the Complainant that such a request may hamper its ability to fully investigate an alleged violation of this Policy and/or to take appropriate remedial steps, including disciplinary action. Where an allegation includes the potential of an ongoing threat to the health, safety or security of the College or a potential adverse employment action, the Affirmative Action Officer shall inform the Complainant that it cannot ensure confidentiality and disclosure of their name may likely be required.

d. Anonymous Complaints
To the extent possible, the College is obliged to investigate and respond to anonymous complaints.

e. Off Campus Behavior
The College reserves the right to investigate alleged prohibited conduct under this Policy occurring off-campus when such conduct adversely affects the College Community, poses a threat of harm to the College Community; interferes with the College’s pursuit of its educational objectives and mission, and/or if a student or employee is charged with a serious violation of state or federal law.

f. Interim Action
The College reserves the right to suspend a student on an interim basis or place an employee on paid administrative leave prior to completing an investigation under this Policy when it reasonably concludes that a student or employee: (a) poses a threat to health or safety; (b) poses a threat to College property or equipment; (c) is disruptive or interferes with the normal operations of the College; or (d) is charged with a serious violation of state or federal law. In
such cases, the College shall provide the employee or student of the specific reason(s) for the interim action. During a student’s interim suspension or an employee’s leave, the College reserves the right to prohibit the individual from entering upon the College’s property or participating in any College activities absent written authorization from an appropriate official of the College.

**g. Joint Investigation**
In some circumstances a Responding Party’s conduct may constitute a potential violation of this Policy and/or other conduct policies applicable to employees or students. In such cases, in order to avoid duplicative investigatory efforts, a joint investigation under this Policy may be conducted by the AAO and the administrator charged with enforcing conduct policies. For example, if the Responding Party is a student, the Affirmative Action Officer and Student Code of Conduct Officer may jointly investigate the complaint. Based on the findings of their joint investigation, the student may be subject to disciplinary action for violations of the Affirmative Action Policy and/or the Student Code of Conduct. Where the Responding Party is an employee, a joint investigation may be conducted by the Affirmative Action Officer and the employee’s supervisor. Based on the findings of their joint investigation, the employee may be subject to disciplinary action for violations of the Affirmative Action Policy and/or for inappropriate and unprofessional conduct.

**h. Collateral Rights of Employees**
Any disciplinary action taken against an employee shall be regarded as an administrative action subject to all terms and conditions of applicable collective bargaining agreements or personnel policies.

**i. Complaints of Sex Discrimination, Sexual Harassment or Sexual Violence**
The Title IX Coordinator shall have the responsibility for administering this Policy relative to complaints of sex discrimination, sexual harassment and sexual violence.
Complaint Filing Procedure

The complaint process is comprised of two procedures - the informal procedure and the formal procedure.

a. Informal Procedure
Where appropriate, the parties to a dispute and/or the Affirmative Action Officer may attempt to reach an informal and prompt resolution of the potential complaint. Informal resolution is encouraged and any of the parties involved may request the intervention of the Affirmative Action Officer to assist in resolving the matter informally. An informal resolution is achieved through open dialogue between the parties that allows for the airing of any misunderstandings or disputed issues. The informal procedure shall not be used in an effort to resolve allegations of sexual harassment or sexual violence. Further, at no time shall a Responding Party question or confront a Complainant, or engage a third party to do so as such conduct may constitute intimidation and/or retaliation, which are strictly prohibited under this Policy.

b. Formal Procedure
The following rules apply throughout all phases of the formal complaint process: (1) all parties to a complaint may have a personal advisor (for union employees this may be a union representative); (2) the role of a personal advisor is limited to providing discrete advice and counsel to the party; (3) the filing of a complaint under this Policy shall not preclude a Complainant from pursuing a complaint in a separate legal forum; (4) a complaint involving a grade dispute shall proceed under this Policy when a student alleges that a grade was improper because of discrimination, discriminatory harassment, sexual violence or retaliation; and (5) all findings reached under this procedure must be based on a “preponderance of evidence” (i.e.; more likely than not) standard.

At any point during the formal complaint procedure, either party may request mediation by contacting the Affirmative Action Officer. The purpose of mediation is to resolve the dispute to the satisfaction of both parties. Mediation shall be mutually agreed upon by the parties. The Affirmative Action Officer, or designee, shall select an impartial mediator, who shall be mutually agreed upon and not unreasonably refused by either party, and inform the parties in writing of the mediation process and schedule. The mediator must have training or experience in mediating matters subject to this complaint process. Where practicable, a mediation session shall be conducted no later than thirty (30) days after agreed to by the parties. The timelines presented under the Complaint Procedure shall be tolled pending the outcome of mediation. If mediation is successful in resolving the complaint, the Affirmative Action Officer shall reduce to writing the terms of the mediated resolution, which shall be signed by the parties. The mediation process shall not be used in an effort to resolve allegations of sexual harassment or sexual violence. If mediation does not result in a resolution, all mediation discussions shall remain confidential and may not be used or introduced in this process or any other forum.

Step 1 – Affirmative Action Officer Investigation

When a Complainant believes that he/she has been discriminated against because of his/her race, color, religion, national origin, sex, age, disability, sexual orientation, gender identity, genetic information, veteran status, maternity leave and/or subjected to sexual harassment, sexual violence, or retaliation, the Complainant may file a formal written complaint in writing with the
Affirmative Action Officer. For student Complainants, a formal complaint may be filed within thirty (30) days following the end of the instructional period when the Complainant knew or should have known of the grievable act. For employee Complainants, a formal complaint may be filed within thirty (30) days from when the Complainant knew or should have known of the grievable act. The complaint shall contain a statement of all known facts pertaining to the alleged violation and shall be filed preferably on the Affirmative Action Discrimination Complaint Form (see Appendix A), which shall be available from the Affirmative Action Officer. If a student is involved, the Affirmative Action Officer shall notify the Vice President or Dean of Student Services.

During Step 1, the Affirmative Action Officer has the authority to seek to resolve the complaint through an administrative remedy. If the parties accept the administrative remedy proposed, its terms shall be reduced to writing, signed by both parties and the Affirmative Action Officer shall retain the document, with copies to the parties. Thereafter, the matter shall be considered resolved between the parties.

Upon receiving a written complaint, the Affirmative Action Officer will notify the Responding Party in writing, of the complaint (see Appendix B), and provide the Responding Party with a copy thereof. The timeliness of such notification shall be in accordance with the appropriate collective bargaining agreement, if applicable. The Responding Party shall have ten (10) days from receipt of notice to submit to the Affirmative Action Officer a written response to the complaint.

Where practicable, within thirty (30) days from the date the Respondent’s written response is received, or the date it was due if none was submitted, the Affirmative Action Officer shall conduct an investigation and prepare and issue a Report of Preliminary Findings to the parties. The investigation shall include, but is not limited to, an analysis of the allegations and defenses presented, consideration of all relevant documents, including materials presented by the parties, interviews of the parties and other individuals and/or witnesses, and/or reviewing certain documents or materials in the possession of either party that the Affirmative Action Officer has deemed relevant to the complaint. The Affirmative Action Officer’s report shall specify the investigation undertaken and summarize his/her preliminary findings. The report shall be delivered to the parties in hand or by certified mail. If the investigation is not completed within thirty (30) days, status updates shall be provided to the parties every thirty (30) days until its completion.

Thereafter, the parties will have ten (10) days from the date of their receipt of the Report of Preliminary Findings to submit Rebuttal Statements to the Affirmative Action Officer. The parties may present no new allegations at that time. Where practicable, within seven (7) days of receiving the parties’ Rebuttal Statements, the Affirmative Action Officer shall review the rebuttal Statements and prepare and submit a Report of Final Findings and Recommendations to the President’s Designee for consideration.

Step 2 – Review and Decision by the President’s Designee

Where practicable, within ten (10) days of receipt of the Affirmative Action Officer’s Report of Final Findings and Recommendations, the President’s Designee shall issue a written decision to the parties. The written decision shall accept, reject or modify the Affirmative Action Officer’s report.
Final Findings and Recommendations. The Designee’s written decision shall be delivered in hand or by certified mail and shall include the Report of Final Findings and Recommendations. If the President is the Responding Party in an Affirmative Action Complaint, then the Chair of the College’s Board of Trustees shall designate a Board member(s) as Designee to administer Step 2 of the Complaint Process.

**Step 3 – Appeal to President**

A party who is not satisfied with the Designee’s written decision may file an appeal with the President within five (5) days of receiving the Designee’s decision. Where practicable, within five (5) days of receiving the appeal, the President shall issue a written decision accepting, rejecting or modifying the Designee’s decision. The President’s decision is final provided that any corrective action and/or discipline imposed is subject to applicable collective bargaining agreements.

If the President is the Responding Party in an Affirmative Action Complaint, then the Chair of the College’s Board of Trustees shall consider the appeal and issue the written decision.

**Bunker Hill Community College Police Response:**

- Encourage the survivor to seek immediate medical attention and assist the victim with obtaining access to medical treatment.
- Arrange for notification to the Director of Public Safety / Chief of Police, or Police Supervisor on duty.

**Reporting to an alternate police department:**
The Office of Public Safety and Campus Police will aid the survivor in notifying the appropriate authorities if the individual requests their assistance. An Address Confidentiality Program is available in Massachusetts: If you are being stalked, you may be eligible for the Address Confidentiality Program (ACP). The ACP serves as a confidential mail forwarding system for victims of domestic violence, sexual assault or stalking. The substitute address is used as the victim’s legal residence, as well as work and/or school address. Consequently, government records may be disclosed to the public without identifying the victim’s new location.

For more information, call the ACP at 617-727-3261 or 866-SAFE-ADD. You do not have to be in crisis to ask for help! Contact your local domestic and sexual violence program. A trained advocate can talk about safety planning, options for obtaining a 258E Harassment Prevention Order and other available support and resources.

Policy Addressing General Procedures for Voluntary/Confidential Reporting a Crime or Emergency

Bunker Hill Community College community members, students, faculty, staff and guests are encouraged to report all crimes and public safety related incidents to the Office of Public Safety and Campus Police in a timely manner. Crimes involving sexual violence shall be reported/referred to the College’s Title IX Coordinator and shall be addressed pursuant to the College’s Policy on Affirmative Action. Due to the sensitive nature of crimes involving sexual violence, victims may choose to confidentially report such crimes. While all Clery Act reportable crimes are accounted for in the annual crime statistics, no personal identifying information of a victim or accused will appear in the Annual Security Report.

To report a crime or an emergency from an on-campus phone at the Charlestown Campus, call the Office of Public Safety and Campus Police, extension 2222 or, from outside the College phone system, 617-228-2222. When using a cell phone, please remember that 911 will not reach the College Office of Public Safety and Campus Police. The Office of Public Safety and Campus Police recommend that pre-programming of cell phones with the phone numbers is a quick way to contact them in an emergency. The Office of Public Safety and Campus Police non-emergency business line is 617-228-2053; the hours of the parking clerk are 8:30 a.m. to 4:00 p.m., Monday through Friday. If you need to have a Police Officer dispatched to your location during their normal shift hours, then you can also call the contract security phone at 617-228-2250.

To report a crime or an emergency from an on-campus phone at the Chelsea Campus, call the Office of Public Safety and Campus Police, extension 2222 or, from outside the College phone system at 617-228-2222. The Chelsea Campus is manned Monday through Friday from the hours of 7:00 a.m. to 11:00 p.m., unless otherwise noted by the Chelsea Campus Administration.

Bunker Hill Community College has added additional security measures, by installing emergency phones strategically placed around the inside of campus buildings. These phones are easily identified by the sign posted above them which reads “POLICE/MEDICAL EMERGENCY DIAL 2222.” The caller is put in immediate contact with the Office of Public Safety and Campus Police, Facilities, the Nurse, and the Contract Security Company.

When calling for emergency or non-emergency service, be prepared to:

- Clearly identify yourself
- State where you are calling from
- State briefly the nature of your call

Crimes may also be reported by filing a police report at the Office of Public Safety and Campus Police in room A-200.

Incident Reporting Procedures for Campus Police:
Office of Public Safety and Campus Police and security officers gather as much information as they can on each reported incident through investigation and by obtaining investigatory information and reports from other agencies involved with the investigation of crime or other emergency response on campus (i.e. local and state police). Incident reports are submitted to shift supervisors for review and approval and ultimately to the Director of Public Safety / Chief
of Police. The Chief or his/her designee coordinates additional follow-up as needed. Officers are required to utilize the campus police incident reporting system to enter reports. Incidents of a severe nature are reported to the Chief of Police and Public Safety immediately, as soon as it is safe to do so. All other incidents occurring after normal business hours require the officer to complete a preliminary report before the conclusion of that shift whenever possible. Initial crime reports are entered and a draft is forwarded to the Director of Public Safety/Chief of Police within 24 hours of the incident having occurred. Follow-up information is added throughout the investigation. All final reports are reviewed by the Director of Public Safety/Chief of Police. Copies of all incident reports are made available to the President, Vice President, Title IX coordinator and other individuals as deemed necessary. Incident report information deemed to be public record will be released in accordance with the Massachusetts Public Records Laws upon request. Information that is not public record, such as names of victims and witnesses, may be redacted prior to release.

To report a crime that occurs at an off-campus location, contact the appropriate local police department. In case of an emergency it is always best to dial 911 and follow the procedures outlined above. To report a crime outside of the jurisdiction of the BHCC campus police see below for a list of business numbers for those departments or agencies that might be able to assist. Included are some important business numbers for the Office of Public Safety and Campus Police and other staff that might be of assistance to you.

Disciplinary Sanctions and Procedures

College disciplinary sanctions are detailed in the Student Handbook and are published annually online. A complete and thorough examination of all policies and procedures can be found in the college’s Guidelines Concerning Sexual Violence (Student handbook).

https://www.bhcc.edu/handbook/

All allegations of sexual misconduct (including sexual assault), domestic violence, dating violence, and stalking will be investigated. Consistent with Massachusetts General Law and the Commonwealth’s Policy on Affirmative Action, Equal Opportunity, and Diversity (Section L, I, (b) (c)) the complaint procedure will be conducted as confidentially as possible and the college will investigate and respond to anonymous complaints to the extent possible. The disciplinary and law enforcement investigations, are interrelated, and may occur simultaneously, and may involve sharing of information and resources. However, both investigations involve separate procedures and standards of proof and one process does not depend on the other process and may continue separately. Both the accuser and the accused will have equal opportunity to appeal disciplinary sanctions under due process.

Investigations will be conducted by officials who receive annual training on the issues related to domestic violence, dating violence sexual assault and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

As a public institution, the College must provide due process to students accused of sexual misconduct, domestic violence, dating violence, and stalking while also ensuring the complainants protections under Title IX. The disciplinary hearing shall take place as soon as possible after the filing of the initial report taking into consideration the need to conduct a timely investigation. Proceedings will provide a prompt, fair and impartial investigation and resolution.

The campus student disciplinary procedures are clearly defined in the Bunker Hill Community College Code of Conduct published annually online and in the Student Handbook. Sexual offenses and sexual assault are addressed specifically in the policy consistent with the Guidelines Concerning Sexual Violence described herein, and addresses alleged offenses regardless of where the offense occurred. A survivor cannot be required to sign a nondisclosure agreement or to otherwise agree to a prohibition from discussing the case.

- The accuser and the accused have the same right and opportunity to have others present (in support and advisory roles) during a campus disciplinary hearing;
- Notification of the final results to both the accuser and the accused will be made in writing in the same manner and in the same time frame. This notification does not constitute a violation of the Family Educational Rights and Privacy Act (FERPA). The outcome of the disciplinary proceeding means only the College’s determination with respect to the alleged offense and any sanction that is that is imposed against the accused.
- In the case that an alleged survivor/accuser dies as a result of a crime, the alleged accuser’s next of kin will be notified of the results of any disciplinary proceedings.

An employee or student who commits an act of sexual violence may be subject to criminal prosecution and will be subject to disciplinary action by the College, up to and including expulsion and/or termination of employment.
Consistent with the commonwealth’s policy on Affirmative Action, Equal Opportunity & Diversity, the college reserves the right to suspend a student on an interim basis when it reasonably concludes that a student; (a) poses a threat to health of safety; (b) poses a threat to college property or equipment; (c) is disruptive or interferes with the normal operations of the college; or (d) is charged with a serious violation of state or federal law. In such cases, the college shall provide the student of the specific reason(s) for the interim action. During a students’ interim suspension, the college reserves the right to prohibit the student from entering upon the college’s property or participating in any college activities absent written authorization from an appropriate college official.

Notice of Nondiscrimination

Bunker Hill Community College is committed to the principles of fairness and respect for all, as well as providing a secure campus environment that is free from discrimination. Bunker Hill Community College does not discriminate in its admission, financial aid, education programs, athletic or other activities, or in the terms and conditions of employment, on the basis of race, color, age, ethnic or national origin or ancestry, sex, pregnancy, physical or mental disability, sexual orientation, religion, gender identity or expression, genetic information, veteran or military status, membership in the Uniformed Services, and all other categories protected by applicable state and federal laws, in accordance with Title IX of the education Act Amendment of 1972, Title VII of the 1964 Civil Rights Act, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, and other applicable federal and state laws. Furthermore, any form of harassment based on protected categories is strictly prohibited. Harassment includes but is not limited to actions based upon race, color, age, ethnic or national origin or ancestry, sex, pregnancy, physical or mental disability, sexual orientation, religion, gender identity or expression, genetic information, veteran or military status, or membership in the Uniformed Services.

Depending upon the circumstances, examples of unlawful discrimination and/or harassment may include the following:

- Epithets, slurs, negative stereotyping, jokes, or threatening or intimidating acts concerning a person being in a legally protected category
- Verbal abuse or use of derogatory words concerning a person being in a legally protected category
- Denying an employee a promotion, or denying a student an opportunity to participate in an academic opportunity, because he or she is in a legally protected category
- An open display of objects or pictures designed to create a hostile working or learning environment based on a person's being in a legally protected category

Counselors and Confidential Crime Reporting

As a result of the negotiated rulemaking process which followed the signing into law of the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors” and Campus “Professional Counselors” when acting as such are not considered to be campus security authorities and are not required to report crimes for inclusion in the annual disclosure of crime statistics. As a matter of
policy, if Bunker Hill Community College had professional counselors and pastoral counselors they would be encouraged, to inform persons being counseled of the procedures to report crimes on a voluntary basis in order to maintain personal and public safety for inclusion into the annual crime statistics. Please note that counselors who act as part of any “Sexual Assault Response Team” are considered CSA’s and are mandatory reporters. Confidentiality cannot be guaranteed in this case.

**Reporting to Other Campus Security Authorities (CSA)**

While Bunker Hill Community College prefers that community members promptly report all crimes and other emergencies directly to the Office of Public Safety and Campus Police, we also recognize that some may prefer to report to other individuals or College offices. Under this law, “Campus Security Authorities” (CSAs) are mandated to report crimes brought to their attention for immediate action by the Office of Public Safety and Campus Police and for inclusion in the Annual Security Report.

A Campus Security Authority is an “official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.”

The following are Campus Security Authorities (CSAs) for Bunker Hill Community College:

- Bunker Hill Community College Police
- Public Safety Department
- Associate Vice President(s)
- Bunker Hill Community College Dean(s)
- Bunker Hill Community College Director(s)
- Bunker Hill Community College Athletic Coaches
- Bunker Hill Community College Club Advisors

If a report or suspicion of crime is made to a CSA, a crime report will be filled out at Office of Public Safety and Campus Police.

**Implementation of Affirmative Action Policy**

The implementation of an effective affirmative action policy is ultimately the responsibility of the President of each Community College. The President will direct the Affirmative Action Officer to coordinate the overall development, administration and monitoring of all affirmative action programs, policies, procedures and regulations. The Affirmative Action Officer will report directly to the President or his/her designee, and will bear responsibility for the preparation and execution of all affirmative action policies and programs.
Consistent with all collective bargaining and non-unit employee agreements, each supervisor will seek to ensure that affirmative action and equal opportunity are integrally tied to all aspects of any recruitment, hiring, training or advancement related decisions to which they are a party. They will be aware of goals and will consult with the Affirmative Action Officer prior to and in the course of such actions.

Emergency Response and Evacuation Procedures

Bunker Hill Community College treats every potential emergency on a case by case basis. A team of administrators determines when to notify the community of a pending emergency or need to evacuate the campus based on a number of criteria including but not limited to:

- Proximity to the campus
- Immediacy of the threat
- Type of Emergency (i.e. Active Shooter; Hazmat spill, etc.)
- Confirmation of emergency by First Responding units (Campus Police, Security, etc.)
- Etc.

When any of these instances (or others) exist, Bunker Hill will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system as detailed below, unless issuing a notification will, in the professional judgement of responsible authorities, compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency.

BHCC’s Emergency Operations Plan is available to the entire campus through either the Campus Police section of the website, or, for staff and faculty through the campus intranet.

Emergency Notification methods available at Bunker Hill Community on both the Charlestown and Chelsea campuses are:

1) **Paging System Notification** – At the direction of the President, Vice President and CFO or designee, the Telecommunications Manager or designee:
   - Activates the College paging system and sends a verbal page regarding the emergency. The page plays on the College’s overhead speaker system and also on the speaker of all College phones, and;
   - Creates a text message through the paging system that appears on the screen of all College office phones notifying of the emergency.

2) **College-wide Voice Message Notification** – At the direction of the President, Vice President and CFO or designee, the Telecommunications Manager or designee records a voicemail message that goes to each phone extension on the Charlestown and Chelsea Campuses. A red notification light will appear on the handset of each phone to notify the faculty/staff member of the emergency.

3) **Main College Message for Incoming Callers** – At the direction of the President, Vice President and CFO or designee, the Telecommunications Manager or their designee will change the incoming message to reflect the emergency, which will override the existing incoming College message.

4) **College-wide E-mail Notification** - At the direction of the President, Vice President and CFO or designee.

5) **College-wide Phone Text Message Notification** – At the direction of the President, Vice President and CFO or designee, the Telecommunications Manager or designee.
6) **Notification Signage** – At the direction of the President, Vice President and CFO or designee the Director of Public Safety/Chief of Police will direct Public Safety Personnel to post notification signs at all entrances to Bunker Hill Community College indicating the nature of the emergency.

Information will be disseminated to the community unless that information will compromise efforts to contain the emergency.

Testing of these notification systems are completed at least bi-annually.

Drills, Exercises and Training

Bunker Hill Community College annually conducts an emergency management exercise to test emergency procedures and preparedness. The scenarios for these exercises change from year to year, and include departments from across campus as well as external agencies such as the Massachusetts State Police, Boston Police, Boston Fire Department and Boston’s Office of Emergency Management.

To ensure the College’s emergency management plans remain current and actionable, the College will conduct an emergency management exercise, at a minimum of once yearly. These exercises may include tabletop drills; emergency operations center exercises or full-scale emergency response exercises. The College also conducts after-action reviews of all emergency management exercises to ensure continual refining and improvement in response.

In conjunction with at least one emergency management exercise each year, the College will notify the Bunker Hill Community College community of the exercise and remind the community of the information included in the College’s publicly available information regarding emergency response procedures.
