Opportunities in Biotech Industry

Guest Speaker
Uzochi Erlingsson, M.D
Co-Founder, LEAS Lab

Uzochi Erlingsson, M.D is a published MD scientist, an NIH grant recipient and an experienced clinical researcher in medicine with a focus on Biochemical Genetics (Inborn Errors of Metabolism). A medical doctor by vocation, she has since adopted early stage investment. Currently she is the Founding partner of Haegrun Holdings where she is an accomplished executive and business analyst within the healthcare and wellness sector. She is also a Co-Founder of LEAS Lab Inc. an upskilling program for research associates based on a curriculum she wrote out of Harvard Medical School and Fhios health, HealthAI diagnostic tool with an epigentics ethos.
