

## Add a Video Comment in Voice Thread

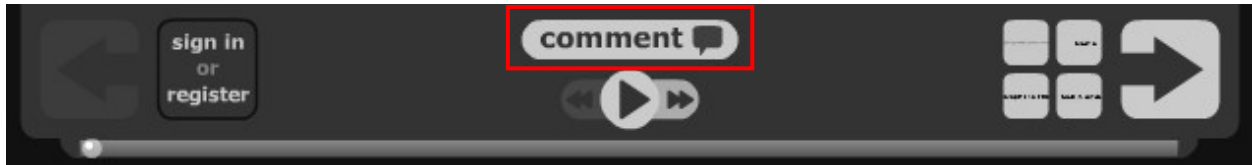

### Introduction

In this tutorial you will learn how to post a video comment on a VoiceThread slide.

### Add a Video Comment in VoiceThread

**Step 1:** Sign in and navigate to the Voice Thread slide on which you would like to comment.

**Step 2:** Click **Comment** to access the comment options.

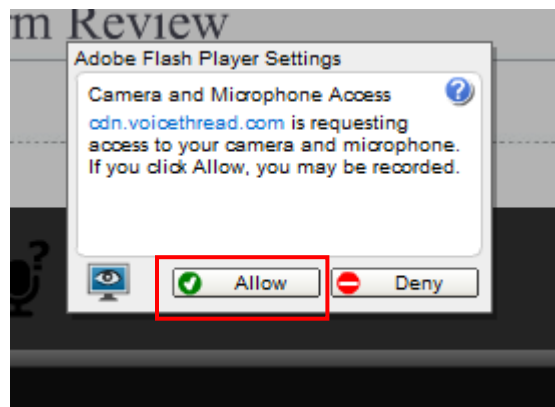

**Step 3:** Click the video icon

**Step 4:** Click **Allow** if a pop-up appears for Adobe Flash Player.

**Note:** Once you've clicked **Allow**, your comment will almost immediately start recording.

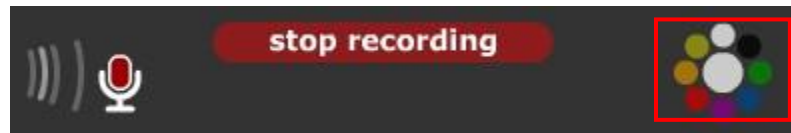

You will notice that you now have a preview window for your comment.

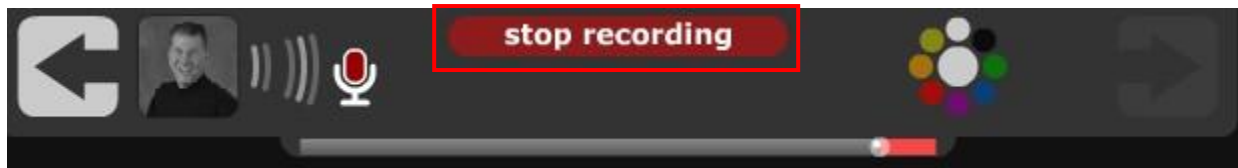

**Step 5:** Record your comment.

Along with recording a video comment, you also have the ability to annotate or draw on the slide. Select the color you'd like to use in the bottom of the VoiceThread window.

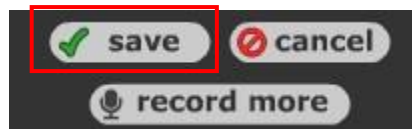

**Step 6:** When finished, click **Stop Recording**.

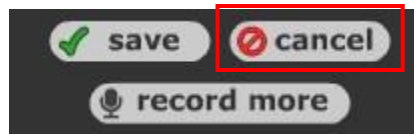

Review your comment.

You will now have the option to **Save**, **Cancel** or **Record More**.

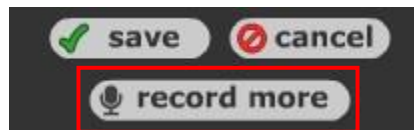

**Step 7:** Click **Save**, if you're happy with your comment and would like to add it to the VoiceThread slide.

**Step 8:** Click **Record More**, to add more content to your comment.

**Step 9:** Click **Cancel**, to completely erase your comment and start from the beginning.
