**Online Winter Session**

January 4-24, 2021

BHCC Online Winter Session courses are cost-effective and a great way to stay on track with your degree.

Winter Session courses are web-based with no scheduled face-to-face or virtual meetings. Course materials are fully online and students complete coursework according to a syllabus provided by the instructor.

Open to current students and guest students who are currently enrolled at another college or university or interested in taking a course for personal enrichment.
