Setting Up Your BHCC Email Account

Setting up your BHCC account gives you access to Moodle-enabled courses, access to the college’s WiFi, and allows you to do business with BHCC efficiently.

If your class is Moodle-enabled (see below list), you must set up your BHCC account. Even if your course is not Moodle-enabled, it is recommended you set up your account.

The following Community Education classes are Moodle-enabled:

- SHRM Learning System - Tuesday section only
- SHRM Essentials of Human Resources
- TEAS Science & Math
- Pre-License Real Estate Sales
- PMP Exam Prep

NOTE 1: Please allow 24 hours after registration to set up your BHCC account.

NOTE 2: If you are a returning BHCC student and your BHCC account is still active, there is no need to set up your account again.
