

Community Education Courses and Course Delivery Options

Community Education courses for non-degree seeking students are delivered in a variety of formats as indicated by the Course Mode. Find your course and determine how your course is delivered. If you do not see your course on this list, please email commed@bhcc.edu to inquire.

| Course Mode | Description | In-Person | Scheduled Meeting |
|--|--|------------------|--------------------------|
| In-Person | Requires physical attendance at set days/times | Yes | Yes |
| Remote and Synchronous | Requires real-time virtual attendance such as Webex, Zoom, or another platform at the instructor's choosing at set days/times. Course materials will be online. | No | Yes |
| Remote and Asynchronous (Web) | Requires regular online participation but does not require attendance on set days/times. Web courses allow you to learn on your own schedule within a certain timeframe. Course materials will be online and self-paced. | No | No |
| Hybrid (In-Person and Asynchronous, Web) | Requires physical attendance at set days/times and online participation outside of scheduled class time. Students will complete coursework online on their own time. | Yes | Yes |
| Hybrid (In-Person and Synchronous) | Requires physical attendance at set days/times and requires real time virtual attendance such as Webex or Zoom at set days/times. | Yes | Yes |

How to Access Your Community Education Course

Your Community Education course falls under one of the instructional modalities listed below. Locate your course to determine how to access it. For Moodle-enabled courses, you will need to set up your BHCC account to access the course in Moodle; however, you will not be able to see the course until the day of the course start date. Your instructor will also email you the meeting link to join the online course. If you do not see your course on this list, please email commed@bhcc.edu for assistance.

Note: CNA, EMT, Pharmacy Tech, Medical Interpreter, Marine Tech, Red Hat, English language courses, as well as courses offered through the Entrepreneurship Center for Education and Training (ECET) are not included in this list.
