

ABOUT TRANSITIONS TO COLLEGE

BHCC's Transitions to College program (or TCP) is a yearlong program funded by the Department of Education. TCP enables students who are already in adult education courses to enroll in college-level courses by learning the essential skills needed to be successful students. Classes and materials are free to students.

The power of TCP is in the support students receive. Starting with the admissions process and continuing through graduation, Transitions students benefit from guidance specifically for adult learners.

WHY JOIN TCP?

TCP connects students to the many academic and social resources BHCC has to offer such as:

- Tutoring and Academic Support Center (TASC)
- Library & Learning Commons
- Counseling, Prevention, and Wellness Center
- The Commonwealth Honors Program
- the many Student Activities and Clubs.

ABOUT THE FREE CLASSES

TCP allows students to take free college courses in the Fall, Spring, and Summer for one year. Students would take classes on Sociology, World Religions, Math, English, and Computer Concepts. Classes follow BHCC's academic calendar.

- Fall Semester (up to 12 credits)
- Spring Semester (up to 15 credits)
- Summer Semester (Optional*6-12 credits)
